

Digital India Initiative

¹Satendra Kumar, ²Abhinab Mishra

¹C.S.A.U.A.T Kanpur, UP, ² Sri Sri University, Cuttack

Introduction

Digital India is an important scheme released by the Government of India in the year 2015. The main aim of this program is to digitally strengthen the different sectors of India. Digital India creates a huge impact on the agricultural diversity of India. Strating from the documentation to smart farming initially, it plays an important role for the farmers.
